We provide tailored transport solutions and a wide range of value-added services that move your business ahead. We move you forward and make things uncomplicated for you – with our digital solutions and through direct dialogue. Over 1,300 professionals at 65 locations worldwide move our customers forward and make logistics uncomplicated – through digital solutions and direct dialogue. We are happy to take care of every detail.

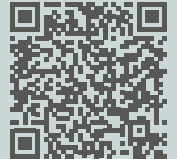

## OUR SERVICES

Supply chains are becoming more and more complex. We master the combination of different transport modes and choose the best way for your requirements.

We will also be happy to handle your supply chain from A-Z, including our additional services like Warehousing, Insurance or Customs.

## OUR INDUSTRY SOLUTIONS

Every product poses its own individual challenges. We have gained profound knowledge about the respective products through our clear focus on the industry and can organize the transport and supply chain in the best possible way.

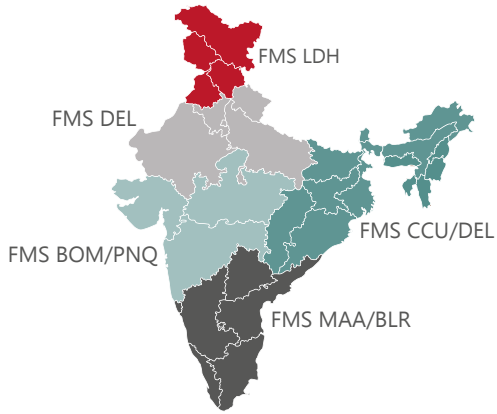

## CRUISE CONTROL®

These days, an efficient supply chain can be the deciding factor for success. Our supply chain management platform 'Cruise Control' offers control over your logistics processes. It transforms complex supply chains into clear overview and tasks. Stay informed and benefit together with your partners.

# Fr. Meyer's Sohn India

Our company, founded on January 15th, 2014, has quickly developed into a strong and trusted logistics partner. With main branches in Delhi, Mumbai, Chennai and Ludhiana and an extensive hinterland presence in Pune, Bangalore, Tuticorin, Coimbatore and Chandigarh, we offer truly nationwide coverage. Customers benefit from a single point of contact, making communication fast, simple and efficient. We specialize in PO management for the textile, retail and fashion industries and are known as a reliable name in the shipping sector.

With reserved space, CPTAT and AEO certifications and an accredited bonded warehouse, we combine security, compliance and flexibility. Our strong growth from 1,900 TEUs in 2016 to 15,000 TEUs in 2025 underlines our performance, commitment and long-term partnership with our customers.
