

Fr. Meyer's Sohn South Africa | Our Service Commitment to you

As a global, family-owned freight forwarding company, we are driven by a deep passion for service excellence. Our goal is not to be the biggest, but the best at what we do. From start to finish, you can rely on us to manage the complexities of your supply chain, while you focus on growing your business, secure in the knowledge that your shipments are in expert hands.

Moving forward since 1897 – personally, digitally, and sustainably.

OUR SERVICES

Our strength lies in integrating multiple transport modes to improve your logistics efficiency, complemented by a full suite of value-added

services, including bonded warehousing, specialised storage solutions, container yard facilities and national distribution.

DELIVERING VALUE ACROSS YOUR SUPPLY CHAIN

Shipping Line Advantage | Our long-standing relationships with global shipping lines, combined with substantial container volumes, enable us to secure highly competitive ocean freight rates as well as delivering broader cost efficiencies throughout your logistics network.

Shipment Visibility and Status Reporting | End-to-end shipment tracking, with client-specific status updates, ensures complete visibility of your consignments at all times.

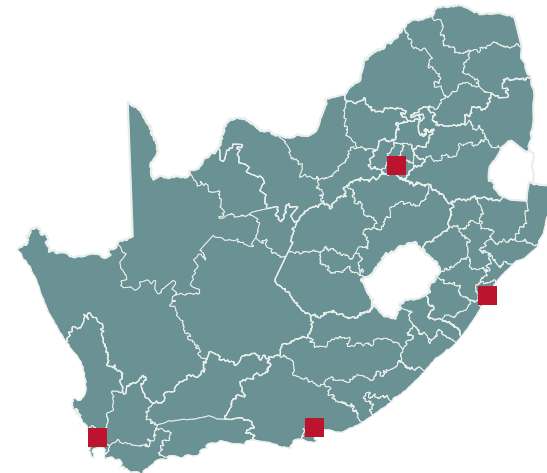

Specialised Communication Management | Stay ahead with the latest market intelligence on freight trends, carrier developments, and global trade insights, enabling proactive and informed logistics decisions.

Customs Expertise | Our customs specialists collaborate closely with your team to ensure compliance with international and local regulatory requirements, facilitating the efficient movement of your cargo across borders.

Industry Engagement | As active members of shipping associations such as the Exporters' Club and the southern African Association of Freight Forwarders (SAAFF), we remain closely aligned with evolving industry standards, regulatory developments, enabling us to provide informed and practical guidance.

Our People, Your Advantage | At FMS, our people are our greatest asset. A dedicated operations specialist works closely with your team to ensure each shipment is handled to the highest standard, supported by a Key Account Manager who provides personalised guidance and ongoing support.

Global Reach, Local Expertise | Backed by an international FMS network spanning over 50 countries, we combine global reach with local expertise. In South Africa, our strategically located offices and bonded warehouse facilities in **Cape Town (Head Office), Johannesburg, Durban, and Gqeberha (Port Elizabeth)** enable efficient, end-to-end delivery solutions.
